Gweithdai cyfredol sy'n cynnig cyfleoedd i gymryd rhan mewn trafodaethau mwy manwl.

Parallel workshops, giving the opportunity for more detailed discussions

Bydd y gynhadledd yn canolbwyntio ar gyfres o weithdai a sesiynau trafod, er mwyn ychwanegu gwybodaeth a dealltwriaeth i amcanion terfynol y Fframwaith Ymchwil ar gyfer themau a chyfnodau allweddol. Mae rhai o'r papurau draft eisoes ar gael ar wefan y Fframwaith, gyda rhagor i ddilyn <http://www.archaeoleg.org.uk/documents2016.html>.

Anogir y sawl sy'n mynychu'r gynhadledd i ddarllen y dogfennau sydd ar lein, ynghyd ag amcanion presennol yr ymchwil ymlaen llaw, er mwyn sbarduno trafodaethau bywiog am safleoedd allweddol, yr ymchwil diweddaraf yn y meysydd ymchwil, blaenoriaethau'r dyfodol ac effaith yr ymchwil. Gallwch bostio eich sylwadau ar ein blog www.archaeoleg.org.uk, neu ar ein tudalen Facebook, neu Twitter @ArchRefWales, neu e-bost info@archaeoleg.org.uk

The conference focuses on a series of themed workshops and breakout sessions to stimulate discussion, and incorporate knowledge and understanding into the final research framework objectives for key themes and periods. Some of the draft papers for the research theme updates are already available on the framework website and more will follow, <http://www.archaeoleg.org.uk/documents2016.html>.

Participants are encouraged to read these along with the current research objectives ahead of the conference to facilitate lively discussion of the key sites, latest research in the subject area, areas for further work and impact of research. You can also post comments on the website blog www.archaeoleg.org.uk, the Facebook page, Twitter @ArchRefWales or email to info@archaeoleg.org.uk
